

Newsletter #2

We are well under way with the planning for the Dinner next April. The day will be with us before we know it.

The venue is booked, catering is booked and some surprise items are being organized. The Aviation Museum has a fine display of items that some of you may well find interesting. All the exhibits will be open on the evening for you to look and remember. We are planning to also open their workshop hanger. You may like to visit their web site to have a look <http://www.saam.org.au>

We have arranged transport to and from the Dinner by coach. This will be to allow those who may well wish to have a drink or two to do so. The coach will be at no cost. It's a sponsor's deal that we have arranged.

Those staying with ex Boys in SA will be looked after by their hosts.

All visitors arriving by air will be met at the airport and taken to their accommodation. If you are flying in can you please advise us so that we can have someone to meet and greet you.

We will need all your flight details when you have them.

The SA branch has a place in the annual ANZAC March. This we gained quite a number of years ago and each year we have to justify our place. We are extending to you all an invitation to join us on Friday 25th April to parade with us. The march distance, just on 2 Kms, is not very long and the reception is great by those lining the roads. There are no hills to climb but there is a downward slope on King William Rd past the Festival Centre..

We parade behind our local Standard.

If you have not already decided to join us please re-consider. It will be a one off event to meet with fellow ex Boys. All ex Boys and partners are welcome. You do not have to be a member of any association to attend nor will you be encouraged to join either.

Regards

David Long, David Williamson, David Brandon, Graham Clayton and Gordon Mepham
